Float Wins First

Following the annually determined theme this year : "The Seventies in Review" staff members assisted on occasion by two students Michelle Kemble and Mickey Zamora, designed and created another 1st place Arkalalah parade float for the big Halloween events transpiring October 26, 27, 1979.

A blue rocket, denoting this past decade's achievement of close-up photography of the planet Mars, was surrounded by triangular pylons of silver-blue trimmed in red. Each pylon bore the banner headlines of some of the major occurrences of his past decade.

Staff members; A.B. Jacovelli, Fred Kirkland, Tom Hardin, Frances Donelson, Lloyd Means, Frazier Brown along with Michelle and Mickey "pitched in" on the project to make it a great success another year.

ALUMNI NEWS

Do You Remember . . . . .

Charlotte Jean Scott Sawatzky from the class of 1947? She now lives in Mission Viejo, California.

Roman Johnson from the class of 1958? He has now retired from military service and is employed as a Safety Manager at the Anadarko Area Office. Roman is married, has two children and lives in Gracemont, Oklahoma.

For Our Students . . . . .

Did you know that Chilocco used to have its own Oklahoma National Guard Company? This was "C" Company and at one time our own Principal, Mr. Dee L. Gregory was captain of this company. The Company served overseas during World War II and the Korean conflict. The education of our young men who belonged to this Company was interrupted while they served overseas. Some of these men returned to Chilocco to finish their education and some gave their life in our country's defense. "Charlie" Company served gallantly while overseas and was the ONLY Oklahoma National Guard Company to have an official mascot.

Mr. McCarty will give a Susan B. Anthony dollar to the first student who can tell him the correct name of Charlie Company's mascot. The contest begins at 8:00 a.m. Monday, November 26th. Don't ask Mr. Gregory or other employees because you can find the mascot's name in the library, in old yearbooks or old Journals, and in searching you might learn a little more about Chilocco Indian School.

The INDIAN SCHOOL JOURNAL is published bi-monthly by the Chilocco Indian School. Its purpose is to serve the student body as a newspaper where school events are recorded and news items are published.

Its views reflect the student body in general and does not reflect the administration policies.

The price of the Journal is fifty-cents per volume, October to May inclusive.
